The registration form has a spot to sign up for the bus ride to the Lighting Ceremony at Mount Rushmore. (FYI there will/may be a charge to cover part of the cost for this, depending upon the response, and the cost of the buses. Nebraska 1 will not profit any from this and may subsidize part of the cost as part the registration fee.)

There is a spot to choose which of the 3 Saturday Rides you want to sign up for. This is so we can get a ballpark number for the persons providing lunch.
